Subject: OIG Investigative Report #21-0001-1

Dear Inspector General Cumming:

This is in response to your letter of June 10 and its enclosed report, directing that the Mayor respond to the report by July 1.

We have carefully reviewed the report and its suggestion that certain provisions of the Administrative Manual be revised or supplemented. Because the portion of the Manual referred to is the province of the Department of Human Resources, we have forwarded your letter and report to the Director of DHR to consider what, if any, revisions or supplementation would be appropriate. We trust that this is sufficiently responsive. Please call if you have any questions.

Very Truly Yours,
